Principal's Note

Dear SPS Families,

As we give thanks for the many blessings in November, I want to thank all of our wonderful SPS parents for sending your child to St. Peter's School. I know that it is a sacrifice and an investment that pays huge dividends throughout your child's life.

I recently attended a School Choice Rally at Holy Cross High School. Lieutenant Dan Patrick spoke about the Libre School Choice Initiative and how important it is to give students the opportunity to attend a school that best fits their needs. Please help spread the word about how wonderful St. Peter School is and if you refer a family to St. Peter's, the Recruitment Referral Discount is available all year round!

Last month, we read about the life of a different Saint each morning during announcements. I was very pleased with how many details students could recall about the Saint of the Day during car line at the end of the day. In celebration of All Saints Day, the students gathered in the conference room to play a Saints Jeopardy game! It's fun to see students get excited when they correctly identify a Saint by their Feast Day, what they are the Patron Saint of, or details about their life. Events like All Saints make school memorable and fun and is a true blessing of attending a Catholic School!

Blessings,
Elaina Satsky

Afternoon Carpool Notes:

Please note: As a safety precaution, we always dismiss walk-ups after the carline is over to prevent students from walking across a moving carpool line. Safety is always our first priority! The school day is over at 3:10pm each day and the carline is the fastest way to pick up your child in the afternoon. Parents are welcome to walk-up to pick up their child, but please be advised that your children will be dismissed after we clear the carline, which is usually 10 minutes after dismissal at 3:20pm.

We have space to buckle up your child if you pull forward and over, after you pass the loading zone. Thank you for helping to keep our students SAFE!

Assembly 2016 : United as a Church:

Archbishop Gustavo invites and encourages everyone to attend Assembly 2016, to be held Saturday, November 5th, at Greehey Arena on the campus of St. Mary's University. Due to very limited space on campus, only vehicles with at least three persons will be allowed to park on site. This offers the ideal opportunity to join with and better get to know your fellow parishioners, school families, and other group members in the spirit of "United as Church," the theme for the day. Also, as a sign of our communion with one another, Catholic Charities will be collecting donations of non-perishable food items in bins placed throughout Greehey Arena. Your support for this effort to assist the needy among us is most appreciated in this jubilee Year of Mercy. For more information or questions call
