Principal's Note

Dear Parents,

Time has flown by this year and I have loved getting to know all of you and your children during my time at St. Peter Prince of Apostles School. This is such a special place because of all of the love and care of this school community.

As requested, we are bringing back the "End of the Year" celebrations along with our very special 8th grade graduation ceremonies! So, mark your calendar for these dates: May 22nd-Prek, Kinder, and First Grade; May 23rd-2nd, 3rd, & 4th; May 24th-5th, 6th, & 7th grades...All begin at 8:30a.m. in the Parish Hall with special recognitions and student performances. On May 24th, our 8th grade students will begin their graduation ceremony with Mass at 5:30p.m. followed with a Graduation in the Parish Hall and other activities afterwards at UIW.

In thinking about children growing and changing each year, it is important to remember to "slow down" and enjoy them as they are in "the moment". Think about gardening and how seeds grow...they go through a process in order to become all they are destined to become... whether it be a tiny rose, tulip, or a daisy, it is a process. Just as we nurture seeds and special plants in our gardens, we do the same for our children. They need light (God's direction in life), food to nurture their souls, and love. They also need the gift of time to grow, learn, and know their purpose in life. Patience is a gift of time that happens differently for every individual person. The purpose in the process is to allow time to prepare, strengthen, shape, and grow your children into who they are destined to become, not in your time, but in the right time.

For our graduates...**"BE THE SEED! SURRENDER YOURSELF TO THE GROUND SO YOU KNOW YOU SERVE A GREATER PURPOSE. WHERE EVER YOU GO, PLANT YOURSELF AND MAKE A DIFFERENCE! GROW INTO THE PERSON YOU WERE BORN TO BE AND PRODUCE A HARVEST THAT WILL BENEFIT OTHERS AND CHANGE THE WORLD!"**

Congratulations to our 8th Grade Graduates and to all they have accomplished over the years at St. Peter Prince of Apostles School.

Sincerely, Sandi Killo
