WHAT IS THE SCHOOL COUNCIL?

The school council has a unique relationship within the parish and school community. The council includes parents of children enrolled in the school and parishioners with no children in school. The school council is advisory. It is accountable to the pastor and to the principal in its operation. We are seeking individuals that are interested in serving on the council willing to use their talents, gifts, and insights for the common good of the community and to promote the mission and goals of Catholic education.
